NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on July 24, 2012. Specifically, our investigation revealed that you had processed, stored, transported, offered for sale and/or sold approximately twenty-six (26) packages of cooked Pork Skins, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to a retail store (Dollar Shoppe, 143 Four Seasons Town Center, Greensboro, NC) for the sole purpose of resale to the general public. You stated in a signed statement dated July 24, 2012 that you cooked the pork skins in your home kitchen and in turn transported and sold them to the Dollar Shoppe for approximately four months.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Donald H. Delozier

State Director
