NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Poultry Products Inspection Law. These reported violations were discussed with you on February 9, 2016. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold misbranded whole chickens, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated February 9, 2016 you stated you purchased the above mentioned poultry products in an institutional case from Han Feng Inc., Greensboro, North Carolina, and in-turn removed the whole chickens and placed them in clear plastic bags that did not have a mark of inspection or required labeling and offered them for sale and sold them to the general public.

Please be advised that the sale of misbranded and/or non-inspected poultry products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to these violations. If you should continue to sell misbranded and/or non-inspected poultry products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
State Director
