Narrative Explanation, continued

There are several animals in bite quarantine including a dog being held for rabies exposure these cages were not posted

02 NCAC 52J .0209 CLASSIFICATION AND SEPARATION: (5) A sign shall be posted at the cage or isolation area when in use, giving notice of a communicable disease.

The manager Tripp Bowling states he will have a detail corrective plan of action to me no later than this Wednesday addressing all the inadequacies listed above.

I have taken pictures of all inadequacies indicated, above.

I examined the records for the animals at this facility; they were not complete and adequate.

The facility has 14 days to correct the problems. I will return at some point after the 14 day period for re-inspection of the facility.

☐ check here if additional pages of narrative are attached

☐ check here if a euthanasia inspection form is attached
