Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	- Isolation room for the cats, there needs to be shower board on walls where there is sheetrock. The walls and doors are begining to be scratched by lost cat house while they clean the cages. The quarantine room also need shower board on walls to cover sheet rock. Need AM or PM on treatment sheet.	
	Remove clutter on top outside pen they have crates on top of the run and can be a hazard to the dogs below. Also we need to look at more ventilation in cat iso room where kittens were. Might need a bigger ventilation fan. It was on but still stuffy in there	
	Good job on cleaning, sanitation smells great	
	work on these improvements
