Narrative Explanation, if needed

Annual inspection performed. At time of inspection there is only one cat available for adoption. This cat was placed here for adoption by Triad SPCA. There were no records available at the store for the cat. Cat is a 12 year old Calico named Taylor. During my inspection a call was made to Triad SPCA requesting this information. I have requested that this be emailed to me within 24 hours and that a copy by placed in the store. Paperwork was lacking at last inspection as well. I had requested at last inspection that copies of the adoptions and copies of records be maintained for a year. This is still not being done at this time. I will follow up within 15-30 days. If paperwork is still lacking a disapproved inspection may be given. Enclosure was clean and cat appeared healthy and content.
