Narrative Explanation, if needed

Annual inspection done today with Kennel Attendant Josh Ledford in attendance.

Owner Cyndi Stephanwich is in the process of several renovations at this time. The entrance and front lobby area has been reconstructed and painted. They have installed 2 new walls behind this area and in doing so they are building 5 new canine kennels here. This has greatly expanded the Boarding Room. They are replacing all damaged kennel gates that are present, painting walls, installing new shower board where needed and repairing the seals where the shower board walls meet the kennel floor in all of the existing runs. The inside play area floor

Narrative Explanation, continued

will be redone due to the heavy canine traffic that has, in areas, exposed unsealed concrete.

The only concern I have at this time would be the current dog runs. 0204(b) These are being addressed and the repairs in this area have begun.

Records on the 7 canines on the premises today are up to date and in compliance. This includes their rabies vaccinations.

All dogs today appear happy and healthy. No injuries noted.

The renovations thus far are done well.

The facility is very well maintained.

I will return to view all the above when completed and on a as needed basis.
