**NOTICE OF WARNING**

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on October 18, 2014. Specifically, our investigation revealed that you had processed, stored, transported, offered for sale and/or sold Pork Sausage Rolls, Bacon and Egg Pies and Mince Pies, which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, to Ozpresso, 3123-100 North Davidson Street, Charlotte, N.C. 28205 for the sole purpose of resale to the general public. In a signed statement dated October 18, 2014 you stated you purchased the ingredients from Bi-Lo of Mint Hill, N.C. and IFH Chef Store of Charlotte, N.C. You further stated that you cooked, formulated and packaged the Pork Sausage Rolls, Bacon and Egg Pies and Mince Pies into retail size containers at your non-inspected home kitchen/residence for approximately one month.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade  
State Director
