NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law and the North Carolina Poultry Products Inspection Law. This reported violation was discussed with you on March 30, 2015. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold Chicken Salad, Chicken and Rice Soup, and Beef Fillets, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated March 30, 2015 you stated you processed, stored, offered for sale and sold misbranded meat products and poultry products without the benefit of county, state or federal inspection for approximately two (2) years. You also stated you had purchased Chicken and Meat Pot Pies from Pot Pie L.L.C., Marshall, North Carolina without a State (NCDA) or Federal (USDA) mark of inspection for the sole purpose of resale to the general public.

Please be advised that the sale of misbranded and/or non-inspected meat products and the sale of misbranded/non-inspected poultry product is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23, and in violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products and/or poultry products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
