NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on May 21, 2015. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold cooked pork rolls, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public at the American Legion Flea Market, on American Legion Avenue, in Newton, North Carolina. In a signed statement dated May 21, 2015 you stated that you processed, stored, offered for sale and sold misbranded and /or non-inspected meat products without the benefit of state or federal inspection for approximately one (1) day.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade

State Director
