NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on June 08, 2015. Specifically, our investigation revealed that you had stored, offered for sale, and/or sold misbranded/non-inspected cooked pork skins, which did not contain State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling to the general public. In a signed statement dated June 12, 2015, you stated you have stored, offered for sale, and sold cooked pork skins which did not contain the State (N.C.D.A.) or Federal (U.S.D.A.) mark of inspection or required labeling to the general public for the past two months.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of the North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
State Director
