Subject: Crew Leader Training

Dear Billy, Elizabeth, Robin, and Kay,

Congratulations on your appointment to the Subcommittee on Crew Leader Training Opportunities. You should have received an email message from Jim Burnette inviting you to participate in this subcommittee with me serving as your humble Chair (I have a lot to learn about crew leaders!). I have created a meeting survey that you can view on-line by clicking on the following link:

<http://doodle.com/eu27p5cecfdkbk7s>

After opening the link, type your name in the rectangular box to the left of the dates, then check off the day or days you may have available to meet. I will select the date that most, or hopefully all, of us will be available.

The meeting will be held in the Library of the Ballentine Bldg. (NCDA&CS Structural Pest Control and Pesticide Division HQ) on Blue Ridge Rd. and should take roughly 2 hours.

I look forward to your responses and meeting with you all.

Feel free to reply to this email message if you have any questions.

Regards,
Wayne
