Reason for Inspection – Complaint

A member of the Public came to Burke Co. Friends for Animals 2weeks prior to this Inspection to Adopt a cat, She was taken in to the Primary cat room to pick out a cat, where She noticed there were a large number of cats with watery eyes, and sneezing. She quated just sick cats She then ask why these sick cats were in with the other cats and She got no responce.

During Inspection on 11-17-08 there was 54 cats Present in this enclosure with State law being 12 per enclosure, not enough litter boxes 3 per Animal and not enough water and FOOD Recep. present at that time.

All resting Surfaces, toys blankets etc. needs to be cleaned every time a new cat is introduced to this enclosure and if no new ones are introduced then this areas contence needs to be cleaned every 7days not every 2weeks as quated to me at time of Inspection

Re-inspect in 45 days
