1. Northeast.
2. Northwest.
3. Southeast.
4. Southwest.
5. South

B. Implementation

In order to implement the purposes stated in Article III, this program provides for the creation of voluntary agricultural districts which meet the following standards:

1. The District or Enhanced District shall meet the requirements necessary to qualify for Farm Use Value for taxation.
2. The District or Enhanced District shall contain one (1) or more qualified farms within areas designated by the Advisory Board.

All land enrolled in a region, defined in section A, above, shall be part of a single district, whether enrolled in the District or the Enhanced District. If a single farm has acreage in two or more regions, the farm shall participate in the region where the largest acreage is found. All land in a region as defined in section A, above, shall be treated as a single district whether enrolled in the District or the Enhanced District.

C. Education

The county may take such action as it deems appropriate through the Advisory Board or other entities or individuals to encourage the formation of the Districts and Enhanced Districts and to further their purposes and objectives, including the implementation of a public information program to reasonably inform landowners of the agricultural district program.

D. Addition and Withdrawal

1. Qualifying farmland in a region with an existing district shall be added to the district as herein provided.
2. In the event that one or more participants in the District or Enhanced District withdraw and the acreage in the District or Enhanced District becomes less than the minimum acreage required or results in the remaining land being noncontiguous, a voluntary agricultural district will continue to exist so long as there is one qualifying farm.

**ARTICLE VII  
CERTIFICATION AND QUALIFICATION OF FARMLAND**

Requirements

To secure county certification as qualifying farmland in either a Voluntary Agricultural District or Enhanced Voluntary Agricultural District, a farm must:

1. Be participating in the farm present-use-value taxation program established by N.C.G.S. §105-277.2 through §105-277.7, or is otherwise determined by the county to meet all the qualifications of this program set forth in G.S. 105-277.3 ;
2. Be managed, if highly erodible land exists on the farm, in accordance with the Natural Resources Conservation Service defined erosion-control practices that are addressed to said highly erodible land;
3. Be the subject of a conservation agreement, as defined in N.C.G.S. §121-35, between the county and the owner of such land that prohibits non-farm use or development of such land for a period of at least ten years, except for the creation of not more than three lots that meet applicable county zoning and subdivision regulations.
4. Be located in the unincorporated area of Edgecombe County.

**ARTICLE VIII  
APPLICATION, APPROVAL, AND APPEAL PROCEDURE**

A. Application Procedure

1. A landowner may apply to participate in either the Agricultural District or the Enhanced Agricultural District program by making application to the chairperson of the Advisory Board or a designated staff person, and must designate the application as for either Voluntary Agricultural District status or Enhanced District status. The application shall be on forms provided by the Advisory Board. The application to participate in a district may be filed with the application for certification of qualifying farmland.
2. A conservation agreement (required by N.C.G.S. §106-737 and defined in N.C.G.S. §121-35) suited to district type (Voluntary Agricultural District or Enhanced Voluntary Agricultural District) designated by the landowner to sustain, encourage, and promote agriculture must be executed by the landowner and recorded with the Advisory Board, which shall record a certified copy of such with the Edgecombe County Registrar of Deeds. Permitted uses include agriculture, horticulture, forestry, and outdoor recreation. The Conservation Agreement for the Enhanced Voluntary Agricultural District shall be binding upon all successors in interest to the landowner, except for successors in interest resulting from the exercise of rights under a security interest or lien that preceded the Conservation Agreement.

B. Approval Process

1. Upon submission of the application to the Advisory Board, the Advisory Board shall meet within sixty (60) days to approve or disapprove the application. The chairperson shall notify the applicant by first class mail of approval or disapproval of participation in the district.
2. Upon receipt of an application, the chairperson will forward copies immediately to the following offices which shall be asked to provide comments, if any, to the Advisory Board prior to the date set for the Advisory Board vote on the application:
  - a. The Edgecombe County tax assessor;
  - b. The Edgecombe Soil and Water Conservation District office;
  - c. The Edgecombe County Office of N.C. Cooperative Extension; and
  - d. The Natural Resources Conservation Service.

C. Appeal

If an application is denied by the Advisory Board, the landowner may, within thirty (30) days of notification of disapproval of the application, request in writing that the Advisory Board reconsider its decision. The request for reconsideration shall state the reason(s) therefore. Upon either an initial denial, if no request for reconsideration was made, or denial after reconsideration, the landowner shall have thirty (30) days from the date of notification to appeal the decision to the Board of Commissioners. Such appeal shall be presented in writing. The decision of the Board of Commissioners is final.

**ARTICLE IX  
REVOCATION, ENFORCEMENT AND RENEWAL OF CONSERVATION AGREEMENTS**

A. Revocation and Enforcement

1. District. By providing 30 days advance written notice to the Advisory Board, a landowner of qualifying farmland within a Voluntary Agricultural District may revoke the Conservation Agreement or the Advisory Board may revoke the same Conservation Agreement based on noncompliance by the landowner, subject to the same provisions as contained in Article VIII(C) for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a district. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any Conservation Agreement prior to its expiration. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). Transfers of land in a Voluntary Agricultural District due to death of the landowner, sale or gift shall not revoke the Conservation Agreement unless the land no longer qualifies for the present-use-value taxation program or, in the event that there are water or sewer assessments held in abeyance, the new owner(s) fails to agree in writing to accept liability for those assessments in the event that the land is withdrawn either voluntarily or involuntarily from the district. Enforcement of the terms of a Conservation Agreement for land enrolled in a Voluntary Agricultural District shall be limited to revocation of the Conservation Agreement and the benefits derived therefrom.
2. Enhanced District. Conservation Agreements for land within Enhanced Districts are IRREVOCABLE for a period of 10 years. Enforcement of the terms of the Conservation Agreement may be through an action for injunctive relief and/or damages in any court of competent jurisdiction. The County may also terminate any benefits to the owner under this program either permanently or during the period of violation, as appropriate. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). The right to terminate program benefits is in addition to any legal rights that the County may have under either this Ordinance or the terms of the applicable Conservation Agreement. The County may seek costs of the action including reasonable attorney fees if such a provision is incorporated into the Conservation Agreement.

B. Renewal

1. District. A Conservation Agreement for land within a Voluntary Agricultural District shall be automatically renewed for 10 years unless the landowner provides 30 day written notice to the Advisory Board of intent not to renew. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall fail to renew any Conservation Agreement unless this Ordinance or its authorizing legislation has been repealed.
2. Enhanced District. A Conservation Agreement for the Enhanced Voluntary Agricultural District shall be deemed automatically renewed for an additional term of 3 years, unless either the Advisory Board or the landowner gives written notice to the contrary prior to the termination date of the Conservation Agreement. At the end of each 3 year term the Conservation Agreement shall automatically renew for an additional 3 year term unless notice of termination is given.

**ARTICLE X  
WAIVER OF WATER AND SEWER OR ALL UTILITY ASSESSMENTS**

A. No Connection Required

1. A landowner belonging to the District shall not be required to connect to Edgecombe County water and/or sewer systems.
2. A landowner belonging to an Enhanced District shall not be required to connect to Edgecombe County utility systems.

B. Abeyance

1. Water and sewer assessments shall be held in abeyance, without interest, for farms in a District, until improvements on such property are connected to the water or sewer system for which the assessment was made.
2. Utility assessments shall be held in abeyance, without interest, for farms in an Enhanced District, until improvements on such property are connected to the utility system for which the assessment was made.

C. Termination of Abeyance

When the period of abeyance ends, the assessment is payable in accordance with the terms set out in the assessment resolution.

D. Suspension of Statute of Limitations

Statutes of limitations are suspended during the time that any assessment is held in abeyance without interest. The landowner may be required to sign an acknowledgement (that may be incorporated into the Conservation Agreement) of the abeyance of the statute of limitations upon collecting water and sewer assessments, or other utility assessments.

E. Other Statutory Abeyance Procedures

Nothing in this section is intended to diminish the authority of the County to hold assessments in abeyance under N.C.G.S. §153A-201, or other applicable law.

F. Conflict with Water and/or Sewer System Construction and Improvements Grants

To the extent that this section conflicts with the terms of federal, state, or other grants under which county utility systems are constructed this section shall not apply. This section shall not apply to utilities that are not owned by the County unless the County has entered into an agreement with the entity(ies) owning the utilities and that agreement provides that this Ordinance shall apply.

**ARTICLE XI  
ADDITIONAL ENHANCED AGRICULTURAL DISTRICT BENEFITS**

Land enrolled in the Enhanced Voluntary Agricultural District program is entitled to all of the benefits available under the Voluntary Agricultural District program, and to the following additional benefits:

A. Sale of Non-farm Products

Landowners participating in Enhanced Districts may receive up to twenty-five percent of gross sales from the sale of nonfarm products and still qualify as a bona fide farm that is exempt from county zoning regulations under N.C.G.S. §153A-340(b). A farmer seeking to benefit from this subsection shall have the burden of establishing that the property's sale of nonfarm products did not exceed twenty-five percent of its gross sales. Products sold that are certified as "Goodness Grow in NC" products are not included in the calculation of the percentage of nonfarm products sold. Edgecombe County may adopt an ordinance pursuant to this section that sets forth the standards necessary for proof of compliance.

B. Agricultural Cost Share Program

Landowners participating in Enhanced Districts are eligible under N.C.G.S. §143-215.74(b) to receive the higher percentage of cost-share funds for the benefit of that farmland under the Agriculture Cost Share Program established pursuant to Part 9 of Article 21 of Chapter 143 of the General Statutes for funds to benefit that farmland.

C. Priority Consideration

State departments, institutions, or agencies that award grants to farmers are encouraged to give priority consideration to landowners participating in Enhanced Districts.

D. Utility Assessment Waiver

As provided in Article X above, waiver of all county utility assessments in addition to waiver of water and sewer assessments is available to all participants in Enhanced Districts.

**ARTICLE XII  
PUBLIC HEARINGS**

A. Purpose

This article is adopted Pursuant to N.C.G.S. §106-740, which provides that no state or local public agency or governmental unit may formally initiate any action to condemn any interest in qualifying farmland within a District until such agency or unit has requested the Advisory Board to hold a public hearing on the proposed condemnation.

B. Procedure

1. Upon receiving a request, the Advisory Board shall publish notice describing the proposed action in the appropriate newspapers of Edgecombe County within five (5) business days of the request, and will in the same notice notify the public of a public hearing on the proposed condemnation, to be held within ten (10) days of receipt of the request.
2. The Advisory Board shall meet to review:
  - a. Whether the need for the project has been satisfactorily established by the agency or unit of government involved, including a review of any fiscal impact analysis conducted by the agency involved; and

3. The Advisory Board shall consult with the County Agricultural Extension Agent, the Natural Resources Conservation Service District Conservationist, and any other individuals, agencies, or organizations deemed by the Advisory Board to be necessary for its review of the proposed action.
4. Within five (5) days after the hearing, the Advisory Board shall make a report containing its findings and recommendations regarding the proposed action. The report shall be made available to the public prior to its being conveyed to the decision-making body of the agency proposing the acquisition.
5. There will be a period of ten (10) days allowed for public comment on the report of the Advisory Board.
6. After the ten (10) day period for public comment has expired, the Advisory Board shall submit a final report containing all of its findings and recommendations regarding the proposed action to the decision making body of the agency proposing the acquisition.
7. The total time period, from the day that a request for a hearing has been received to the day that a final report is issued to the decision making body of the agency proposing the acquisition, shall not exceed thirty (30) days. If the agency agrees to an extension, the agency and the Advisory Board shall mutually agree upon a schedule to be set forth in writing and made available to the public.
8. Pursuant to N.C.G.S. §106-740, the Board of Commissioners shall not permit any formal initiation of condemnation by local agencies while the proposed condemnation is properly before the Advisory Board.
