

## Welcome to "Bob's List"!

This tool was created to assist you in finding a new home for slow moving or difficult to use USDA commodities or perhaps you are in search of some extras. Please visit our web-site often as new posts will be made as they are received. If you would like to post to the "List", please complete the information below. We will then post to our webpage for all to see what commodities are available to them. Food Distribution will also assist in transporting the commodities to their new home during our regular deliveries to your location. Bob's List is here for you, we hope you will find this to be a useful tool!
