Primary species to be produced and description of primary activities

(see attached list for species):

--

Please return this completed application to:

Pete Anderson
Aquaculture Consultant
NCCE – Craven County Center
300 Industrial Drive
New Bern NC 28562

Thank you for your interest in North Carolina Aquaculture. Below is a list of species approved for culture and sale in North Carolina. **The license is only valid for the species that appear in the list below.** Written permission must be received from the North Carolina Wildlife Resource Commission to grow or possess other species for sale that do not appear below (such as Tilapia or Atlantic Salmon).

For more information contact Pete Anderson, NCDA&CS, 252-633-1477 -or- pete.anderson@ncagr.gov
