PREPARATION OF FSIS 8080-6, PERSONAL USE NOTICE

This form is to be used for the following product dispositions:

A. Personal Use:

Product that is found to be safe, wholesome, and capable or use as human food may be released for personal use. Program personnel should not release more product for personal use than defined in regulations (9 CFR 303.1(d)(2)(ii), 327.16, 381.10(d)(2)(ii), 381.207, and 590.960.

B. Donations:

See FSIS Notice 26-06, Donated Products Questions and Answers.

An FSIS Form 8080-6, Personal Use Notice, is to be completed with an inventory listing of the donated products.

When product is not detained (an immediate voluntary disposition is given), the program employee will check the "observed on" box. When modifying the statement, the program employee will initial all strike-outs and changes.

The program employee enters the following information:

1. The date the product is released for personal use/donation.
2. The owner's or custodian's name and address.
- 2A. Check the applicable statement and insert the required information for that statement.
3. Description of product/additional information: The product name, species, number of containers, weight, brand name, etc., and if applicable, list name and address of employees that received amenable product for personal use.
- 3A. Indicate the weight (in pounds) of the product released for personal use.
4. Date detained.
5. Name and address of the firm where the detained product is located.
6. By whom it was detained (program employee), his/her title and name.
7. The owner's name, title, and signature.
8. The program employee obtains the owner's, owner's agent or custodian's signature, signs the Personal Use Notice and provides the owner or custodian with a copy (the original is retained by the program employee).

Note: If additional space is needed, place an asterisk in the appropriate section followed by the statement "See attached sheet(s)."
