A survey of your establishment at the location shown above *(Item 4 or 5)* indicates compliance with the applicable requirements of the North Carolina Compulsory Meat Inspection Law or the North Carolina Poultry Products Inspection Act or both. Accordingly, inspection service is granted.

A copy of your Application for State Meat/Poultry Inspection, MPIS Form 1f, is enclosed. This application specifies the type of operation conducted at your establishment and contains your agreement and certification that you will conform strictly to applicable State and/or Federal law and regulations pertaining to meat inspection and/or poultry inspection.

Your establishment is under the supervision of the Raleigh State Office. Call the State Office if you need help in interpreting the provisions of the regulations.
