

'PIG IN A POT' CROCKPOT CHALLENGE

We all love to 'set it and forget it' when it comes to our busy lives, and what better kitchen appliance to help us out is the beloved crockpot? We're tag-teaming that with one of North Carolina's biggest commodity foods...pork. Let's see what flavor profile you can come up with to make the judges sit up and notice! Bring us your best pig in a pot!

You may bring your entry to the fair in any convenient container but you must attach a photo of your 'Pig In A Pot' entry in your crockpot to your printed recipe.
