- In most divisions, competition is limited to residents of North Carolina.
- All entries must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries and such firm must have been organized as a bona fide firm for the purpose of producing or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.
- Official printed forms or copies of forms must be used in making applications for entry. Be sure to fill out the application form completely, accurately and legibly.
- No article or animals will be entitled to exhibition space until proper entry has been made.
- Entry fees are required in some departments.
- Unclaimed exhibits from competitive departments will be considered abandoned if not called for within one week after the official closing of the Fair and may be disposed of as the Manager of the Fair sees fit.
- All exhibits must be officially entered in the Fair on official entry forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid and the right to further participation in the Fair.
- All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair.
- The State Fair assumes no responsibility for the incorrect tagging of exhibits.
- Entries may be shipped via UPS or Fed Ex (signature required) to:  
NC State Fair Attn Entry Department 4285 Trinity Road Raleigh NC 27607
- The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging. All reasonable care will be given to all exhibits; however, exhibits are entered at the exhibitor's risk. The Fair and staff are not responsible for damage or loss at any time.
- Division Directors and Department Superintendents will have full authority over allocation of space.
- If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Department Superintendent or Competitive Exhibits Coordinator proof of ownership of the article on exhibit.
- The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair.
- Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. Under no circumstances will judging be considered official and premiums paid in a class where disqualification is recommended until approval of the disqualification(s) is obtained from the fair manager.

- Decision of the judges will be final and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be in writing and filed with the Competitions Coordinator.
- Entries made in wrong classes risk not being judged, and may be moved to the proper class by the Department Supervisor or Competitive Exhibits Coordinator with the permission of the exhibitor.
