DEPARTMENTAL RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Fair Rules and Regulations will govern this department.

Entry forms can be found at www.ncstatefair.org under competitions or by contacting the NC State Fair Entry Department at: ncsfCompetitions@ncagr.gov.

Entry Tags will be mailed to you. An Entry Tag must be attached to each exhibit before it is presented in the Department for display. Variety names are to be written on the backs of the tags. If possible, it is urged that all horticulture products be brought in and prepared for exhibit by the exhibitor. Where it is not possible, shipments with copies of previously submitted entry forms sent in by the entry closing date, should be shipped (signature required) in time to reach the Fairgrounds no later than Tuesday, October 15, and should be addressed to:

SHIPPED VIA UPS OR FED EX TO:

NC State Fair, Attn. Entry Department
4285 Trinity Road
Raleigh, N. C. 27607

US POST OFFICE TO:

NC State Fair, Attn. Entry Department
1010 Mail Service Center
Raleigh, N. C. 27699-1010

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish plates, trays and boxes for exhibits, but no other containers. The number of specimens for each plate display is specified in the premium list. Standard size tray, 11½ x 18 inches inside measurements and 6 inches deep will be used. Standard size box, 11½ x 18 inches inside measurements and 6 inches deep will be used for commercial sweet potato categories. All other commercial categories will use the 3 inch deep tray. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required. At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized. This list is not exclusive. The Superintendent may add or delete varieties in order to maintain the overall quality of products on display.

Variety	Diameter
Arkansas	3 to 3½ inches
Braeburn	2¾ to 3 inches
Fuji	2¾ to 3¼ inches
Gala	2¾ to 3¼ inches
Golden Delicious	2¾ to 3¼ inches
Granny Smith	3⅛ to 3¾ inches
Jonagold	2¾ to 3½ inches
Jonathan	2¾ to 3 inches
Red Delicious and named bud sports	2¾ to 3¼ inches
Rome and named bud sports	3 to 3¾ inches
York and named bud sports	3⅛ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded mainly on the basis of quality. Do not knock or shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named on the entry tag by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Entries of heirloom apples and heirloom tomatoes are limited to named varieties known to have been grown for at least 100 years. Name of variety must be on the back of the entry tag. Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class.

An exhibitor cannot compete for more than one prize in any class.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit.

All produce must have been grown in 2024 by the exhibitor(s). Other materials may be used for decorative purposes.

Each display table will be approximately 32" wide by 48" long on a slight slant with a back wall extending to six feet above the floor. Hay bales will be available to use on the floor to extend the display area.

This competition is open to families and commercial farms. Only one entry per family or farm will be accepted. Because of size limitations, entries will be limited to 12 exhibitors. If the number of exhibitors who register exceeds 12, market stands will be assigned by lottery by the NC State Fair Entry Department. All exhibitors who are assigned a market stand will be contacted via telephone. Business signs will be displayed after judging. Contact superintendent with questions if needed.
