

APPLICANT ENVIRONMENTAL QUESTIONNAIRE

The purpose of this document is to assist AMS staff in collecting adequate project information to complete a detailed environmental compliance evaluation. Based on a review of the application submitted, further information is required. AMS staff may request further information depending on the information provided by the applicant.

PROJECT INFORMATION

1. APPLICANT ENTITY NAME AND APPLICATION NO.:

2. PHYSICAL LOCATION OF THE PROJECT: (INCLUDE GPS COORDINATES AND ADDRESS, LEGAL DESCRIPTION AS NECESSARY)

Please address the questions below and provide a copy of supporting documentation as requested. If you are unsure on any of the questions, please select "unknown."

Table with 5 columns: Question ID, Question Text, YES, NO, UNKNOWN. Rows include Surface Waters, Soils and Land Resources - Ground Disturbance, and Vegetation sections.

CULTURAL RESOURCES (HISTORIC, ARCHAEOLOGICAL, TRIBAL)		YES	NO	UNKNOWN
4	Will the project be located in/on a building that is more than 50 years old? <i>*local tax records usually indicate the date or year a building was constructed. If you are unsure of a building's age, please check with your assessor's office</i>			
5	Will the project be located within sight of a building that is more than 50 years old?			
WATER QUALITY		YES	NO	UNKNOWN
6	Will wastewater (e.g., sanitary sewage, non-contact cooling water, slurries, dewatering, etc.) be generated during the project and/or after the project is complete for release offsite?			
7	Is the project facility connected to a municipal wastewater system? If not, describe the on-site system and capacity in the box on page 3.			
8	Is the project facility connected to a municipal water supply system? If not, describe the on-site system and capacity in the box on page 3.			
9	Will National Pollutant Discharge Elimination Systems (NPDES) or Clean Water Act Permits be required or currently applicable?			
SOCIOECONOMIC/ENVIRONMENTAL JUSTICE		YES	NO	UNKNOWN
10	Does the project have the potential to negatively impact the human health or environment of disadvantaged populations, low-income populations, and/or Indian tribes and Indigenous communities?			
AIR QUALITY/CLIMATE CHANGE		YES	NO	UNKNOWN
11	Will air emission-generating equipment be installed or replaced (generators, boilers, fuel burning equipment, or refrigerant containing equipment, etc.)? If so, provide details or specifications in the box on page 3.			
12	Will the project cause any known increase in air pollutants (carbon dioxide, greenhouse gases) during project upgrades or operation?			
HAZARDOUS MATERIALS/WASTE OR TOXIC SUBSTANCES		YES	NO	UNKNOWN
13	Will the project result in the disturbance of lead- or asbestos-containing materials?			
14	Will the project result in the use, storage, or disposal of hazardous materials?			
15	Will the project involve pesticide application (e.g., herbicide or insecticide)?			
16	Will the project remove, install, or utilize an aboveground or underground oil or petroleum storage container that is equal to or greater than 55 gallons (e.g., fixed or portable storage tanks, drums, base tanks for emergency generators, cooking oil containers, or hydraulic reservoirs)?			
LAND USE AND UTILITIES		YES	NO	UNKNOWN
17	Will the project result in an increase in utility use (e.g., natural gas, electricity, water, sewer)? Provide any applicable capacity information or specifications in the box on page 3.			
18	Will the project result in a change in activities, land use, or zoning occurring at the site or facility?			
19	Will the project cause long-term noise impacts to the area or impacts outside of the allowable times as regulated by local ordinances?			
20	Would the project alter or obstruct views or aesthetics in the immediate vicinity of the site?			

PLEASE PROVIDE ADDITIONAL PROJECT INFORMATION: PERMIT REQUIREMENTS, PREVIOUS CONSULTATIONS, ENVIRONMENTAL CONCERNS AND/OR FURTHER EXPLANATIONS TO RESPONSES ABOVE.

Questions are answered to the best of the applicants' ability. Applicant understands AMS may conduct additional screenings and review of findings will determine any further requirements. AMS reserves the right to deny an application that has the potential for significant environmental impacts, cannot obtain proper permitting, does not meet NEPA or permitting policies or does not provide required documentation.
