

Potential contractors who have expressed interest in CCAP design/build work

The State of North Carolina, including the North Carolina Department of Agriculture and Consumer Services and its subdivisions and cooperators, does not endorse or express preference for any contractors listed in this document, and is not associated with the contractors listed. This listing is merely for the reader's convenience and indicate potential contractors who have expressed interest in CCAP design/build work. The State shall not be responsible for any dispute that may arise between individuals that contact any listed contractors. Any contractor who may wish to be included in this list can contact Tom Hill email: thomas.hill@ncagr.gov or mobile 919-896-2653.
