

## REVISIONS

Revisions are used when there are changes to best management practices (BMPs) as contracted.

Substituting unrelated BMPs or the addition of a new BMP requires a new contract.

Minor changes in size, quantity, amount or components of previously approved BMPs are allowed.

Only a current year contract can exceed the original contract amount and only if you have money in your district account to cover the increase. You cannot increase the total of a prior year contract; you can only revise the BMPs within the contract (see supplements).

Revisions to commission members or district supervisor contracts need commission approval prior to approval by the division.
