Notice of Warning: Notice of Deficiency
Re: Violation of 02 N.C. Administrative Code ("NCAC") Chapter 52J, Section .0201(j).

AWS-WL-2019-6

Animal Shelter: Fredo Helping PAWS in Need Rescue, Inc.
Registration No. 327

Dear Mr. Pistone:

On October 3, 2018, November 27, 2018, March 4, 2019, April 11, 2019, May 13, 2019 and May 15, 2019, Animal Health Technician Jay Blatche ("Inspector Blatche") from the Animal Welfare Section ("AWS") of the North Carolina Department of Agriculture and Consumer Services ("NCDA&CS") attempted to conduct a facility inspection of Fred Helping PAWS in Need Rescue Animal Shelter ("the shelter"). On all 6 occasions, no one answered the door to allow the inspector admittance to the facility. Despite telephone contact with the Ms. Pistone on 4 of those 6 attempts, Inspector Blatche was not allowed access to the premises. Inspector Blatche was unable to reach anyone by telephone at the time of the remaining 2 attempts.

Pursuant to the North Carolina Animal Welfare Act and the rules promulgated thereunder, “All areas of a facility are subject to review or inspection by North Carolina Department of Agriculture and Consumer Services employees during normal business hours (8:00 a.m. through 5:30 p.m. Monday through Friday)” [02 NCAC 52J .0201(j)].

Therefore, AWS finds that this animal shelter is in violation of 02 NCAC 52J .0201(j).

This Warning Letter and Notice of Deficiency serves as written notice indicating in which respects the shelter has failed to satisfy the requirements for the holding of a registration as an animal shelter. The shelter must have at least one “Approved” facility compliance inspection in the 12 months prior to the
July 1st renewal date for the shelter to be eligible to renew its registration. A review of AWS records shows that the shelter has neither received an “Approved” facility compliance inspection because of the failure of the shelter to allow access for an inspection nor submitted its animal shelter registration renewal application which is due by June 15, 2019. To be clear, should the facility continue to deny access for inspection, not achieve an “Approved” inspection by July 1, 2019 or fail to submit a renewal application by June 15, 2019, the shelter will not be able to be registered as required by NCGS § 19A-26 and will need to cease operation by July 1, 2019.

In addition, if the shelter denies AWS personnel access to the shelter from this date forward, this repeated violation of 02 NCAC 52J.0201(j) will be considered a willful disregard or violation of the North Carolina Animal Welfare Act and the rules issued pursuant thereto. Such willful disregard or violation of the North Carolina Animal Welfare Act and the rules issued pursuant thereto may result in suspension or revocation of your facility’s license pursuant to NCGS § 19A-30 and/or the assessment of a civil penalty of up to $5,000.00 per violation pursuant to N. C. General Statute § 19A-40.

Your immediate compliance with the N.C. Animal Welfare Act is required.

Sincerely,

[Signature]
