NOTICE of VIOLATION and
ASSESSMENT of CIVIL PENALTY
for VIOLATION of TITLE 02 NC
ADMINISTRATIVE CODE (“NCAC”)
CHAPTER 52J SECTIONS .0204(j).

Acting pursuant to NCGS § 19A-40, Dr. Patricia Norris, Director, Animal Welfare Section (“AWS”), North Carolina Department of Agriculture and Consumer Services (“NCDA&CS”) makes the following:

FINDINGS OF FACT

1. At all times pertinent to this matter, The Barkington (“the kennel”) owned and operated by the Lourdes Felmet (formerly Lourdes Perez-Montes) was a boarding kennel, registered pursuant to NCGS § 19A-28.
2. On March 22, 2023, AWS assessed a Civil Penalty to Ms. Felmet as owner and operator of the kennel for 4 violations of 02 NCAC 52J .0204(k) for failure to provide adequate supervision of comingling dogs as observed during a complaint investigation conducted on March 6, 2023.
3. On October 12, 2023, AWS assessed a Civil Penalty to Ms. Felmet as owner and operator of the kennel for 3 violations of 02 NCAC 52J .0204(j) for failing to supervise 3 groups of comingling dogs and for a second violation of 02 NCAC 52J .0204(k) for failure to provide adequate supervision of another group of comingling dogs.
4. During the January 26, 2024 Facility Compliance Inspection (“FCI”), a group of 7 dogs were comingling in an exercise area with no employee supervision in violation of 02 NCAC 52J .0204(j). The requirements for supervision of comingling groups of dogs were discussed again with the kennel staff during this FCI.
5. On March 25, 2024, AWS received a complaint alleging the kennel was failing to properly supervise the dogs that were confined in the exercise areas. Based on this information, AWS opened an investigation. The investigation centered on possible violation(s) of the N.C. Animal Welfare Act (“AWA”) as these statutes and associated regulations are the extent of the jurisdiction of AWS.
6. As part of the complaint investigation, AWS Animal Health Technician Christina Tolley (“Inspector Tolley”) conducted an unannounced site visit of the kennel on March 27, 2024. The findings for the site visit included:

- a. in the large play yard, 7 dogs were comingling with no supervision from kennel employees; and
 - b. in the middle play yard, 9 dogs were comingling with no supervision by kennel employees.
7. As part of the investigation, past Facility Compliance Inspection (“FCI”) reports for the kennel were reviewed. The review of the January 5, 2023 FCI report shows, on January 5, 2023, one indoor exercise area was noted as housing 7 dogs with no employee within the area supervising the dogs. The requirement for supervision of comingling dogs was discussed with the kennel employees and management at that time.
8. On April 10, 2024, due the kennel’s repeated violations of animal supervision requirements, AWS sent a Notice of Intent to Suspend Boarding Kennel License to the kennel which allowed the kennel the opportunity to show compliance with all lawful requirements for the retention of the boarding kennel license.
9. On April 11, 2024, the kennel owner responded to the Notice of Intent to Suspend stating that:
 - a. the kennel has implemented a new “reception sheet” to note when no additional day care dogs may be added depending on staffing levels;
 - b. the kennel now has a notice posted reminding staff of the supervision requirements; and
 - c. the kennel has replaced the kennel’s management and some of the daycare staff members.

CONCLUSIONS

To the extent that the Findings of Fact contain Conclusions of Law, or that the Conclusions of Law are Findings of Fact, they should be so considered without regard to the given labels. Based on the findings of this investigation, AWS concludes that the kennel violated the following provision:

02 NCAC 52J .0204(j) for confining more than 4 dogs in the same exercise area without supervision. This violation was observed in 2 exercise areas on March 27, 2024. The kennel has a history of violating this provision, including two previous Civil Penalty assessments and additional violations of 02 NCAC 52J .0204(j) noted during FCIs conducted on January 5, 2023 and January 26, 2024

CIVIL PENALTIES

As required by NCGS § 19A-40, in determining the amount of the civil penalty, I have considered the degree and extent of harm caused by the violations listed above. Inadequate supervision has been shown to cause a significantly increased risk of injury or death to animals within a facility as well as creating a danger to the safety of facility staff.

Accordingly, Lourdes Felmet as owner and operator of The Barkington is hereby assessed a civil penalty for the following violations:

\$2,000.00 for the 2 violations (\$1,000.00 per violation) of 02 NCAC 52J .0204(j) for confining more than 4 dogs in the same exercise area without supervision as observed on March 27, 2024. The kennel has a history of violating this provision, including two previous Civil Penalty assessments and additional violations of 02 NCAC 52J .0204(j) noted during FCIs conducted on January 5, 2023 and January 26, 2024.

\$2,000.00 TOTAL AMOUNT ASSESSED

Despite the history of this kennel's repeated noncompliance with 02 NCAC 52J .0204(j), AWS has elected not to impose a suspension of the boarding kennel license of this kennel at this time. Continued or future violation of the statutes or regulations referenced in this letter will be considered a willful disregard or violation of the N.C. Animal Welfare Act and the rules issued pursuant thereto. Such willful disregard or violation may result in action against your facility's license pursuant to NCGS § 19A-30 and/or the assessment of a civil penalty of up to \$5,000.00 per violation under NCGS § 19A-40.
